Dear Mr van Kempen,

I am writing to you to thank you for the letter which you addressed to the President of the European Commission, Mr Jean-Claude Juncker, on 28 February 2015. The President has asked me to answer your letter on his behalf.

Your comments have been brought to the attention of the relevant services of the European External Action service. I can assure you that the EEAS is sparing no efforts in its pursuit, together with many others in the international community, of peace, stability and prosperity for the entire Middle East region.

Yours sincerely,

  
Leonello Gabrici
